What is your favourite party food? Draw pictures and write the names.

2. Write the words from exercise 1 in the correct column.

Words you can count

Words you cannot count

countable Singular

countable Plural

uncountable

hot dog

nachos

juice

Let's have a party!

3. Read the conversation between Max and Louisa. What do they need for their party?

Hey Louisa! Do we have everything we need? We've got a pineapple and some strawberries for the fruit salad, but we haven't got an apple and a banana.

Okay, let me write it on the list. Have we got any sausages for the hot dogs?

We've got some bread, but we haven't got any sausages or ketchup.

And what about the snacks? I can buy some crisps and popcorn.

Cool! Let's get something sweet as well. How about some ice cream or cake? I think, we still have some at home.

No...we haven't got any ice-cream at home,

... but we have some cupcakes and a big chocolate cake.

Okay! Don't forget the nachos. Everybody loves nachos!

4. Complete the table with a/an, some and any.

	Countable Singular	Countable Plural	Uncountable
We've got	___ apple	___ pineapples	___ bread
We haven't got	___ banana	___ sausages	___ ketchup

5. You are having a party with your English class. Write a shopping list of the food you need.

6. Tell another classmate what's on your shopping list. Try to use a/an, some and any.
